

Environmental Policy Statement

As a leading Utility Services Provider, CLC Utility Services Ltd (CLC) operates in a manner that takes account of foreseeable hazards and risks to the environment and the persons who may be affected by it. We operate in accordance with the Environmental management systems – Requirements with guidance for use, standard ISO 14001:2015.

CLC are committed to conducting our business in an ethical and socially responsible manner. This commitment is essential to sustainable business success. Our environmental objectives are established as we are committed to ensuring we conduct our operations in an environmentally responsible manner and to protect the environment.

To achieve this CLC has established the following environmental policy. All CLC Directors, Managers and Employees are to support the implementation of this policy in accordance with their roles and responsibilities.

CLC are committed to:

- Setting SMART Environmental objectives for the benefit of all flora, fauna and future generations.
- Identifying the significant environmental aspects of activities associated with excavation, repairs and reinstatement of footways and carriageways and to reduce the impacts.
- Reusing or recycling as much of the waste produced by CLC as possible and responsibly disposing when necessary.
- Reducing emissions produced by the CLC's activities to ensure that, as far as possible, pollution is prevented.
- Conducting our operations in a manner that prevents pollution, conserves resources, and reduces the use of raw materials, energy and supplies.
- Continual improvement of our IMS by monitoring our environmental performance, regularly reviewing our activities and policies.
- Achieving a green culture that addresses ethical issues, follows appropriate environmental guidelines, compliance obligations and legal requirements.

CLC requires all employees and subcontractors to support this policy and to be vigilant against any actions or circumstances that may harm the environment.

This policy is available to any interested party at our offices, on our website or by request. It will be reviewed at least annually as part of CLC's management review procedure.
